## **NEEDS STATEMENT**

Clinical care providers need to increase utilization of programming and services from the Harris County Area Agency on Aging (AAA) to address social determinants of health for older adults. Providers may be unaware of resources to assist older adults. This activity will highlight the needs of older adults and how to use available community-based resources to meet those needs.

## **TARGET AUDIENCE**

Physicians, Nurses, Pharmacists, Psychologists, and Social Workers

## **EDUCATIONAL OBJECTIVES**

At the conclusion of the activity, participants should be able to:

- Determine the specific needs of individuals related to social determinants of health
- Describe the services provided by Harris County Area Agency on Aging (AAA)
- Access community resources provided by the AAA to address social determinants of health

## **EDUCATIONAL METHODS**

Lecture

## **EVALUATION**

Evaluation by questionnaire will address program content, presentation, and possible bias.
