

NEEDS STATEMENT

A course designed for physicians, trainees, and allied health professionals with interest or clinical practice in Gastroenterology and Hepatology. This course will serve as an update on latest diagnostic and therapeutic issues in GI and Hepatology. This program has been developed using a combination of lecture and case based curriculum designed to serve as an intensive review tool for GI and Hepatology Board Certification/Re-Certification Examination in 2022.

TARGET AUDIENCE

Physicians, trainees, and health professionals with interest or clinical practice in Gastroenterology and Hepatology.

LEARNING OBJECTIVES

At the conclusion of the conference, participants should be able to:

- Summarize the strategies for the management of IBS-D
- Discuss early detection of esophageal cancer and effective screening methods for high-risk patients
- Identify tailored approaches to optimizing medical therapy in inflammatory bowel disease
- Compare and contrast current therapy options for patients with viral hepatitis and drugs in the clinical development pipeline
- Develop the appropriate management strategies for non-alcoholic fatty liver disease in clinical practice
- Identify appropriate diagnostic testing and treatment for H. pylori infection
- Implement treatment algorithms for clarithromycin resistant H. pylori infection
- Apply interpretation of Hepatitis B serologic testing results to determine the appropriate treatment for Hepatitis B patients

EDUCATIONAL METHODS

Lecture, Panel Discussion, and Audience Response System

ACTIVITY EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION

DISCLOSURE POLICY

In order to meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of Baylor College of Medicine (BCM) that all individuals who are in a position to control the content of the CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, current and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

FEE, REGISTRATION & CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least five business days before the activity start date, contact the Division of Continuing Professional Development (DCPD) immediately.

All attendees must pre-register. On site or day of registration will not be available.

To register/pay online visit the activity website at cpd.education.bcm.edu/content/giboards2022 and follow the instructions.

CANCELLATION & REFUND POLICY

Requests for registration refunds must be in writing and received by the DCPD at least 10 business days before the activity begins. The date the request is received by the DCPD will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a \$50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be emailed to the DCPD at cpd@bcm.edu.

The DCPD reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, DCPD's liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.
