

5TH SYMPOSIUM ON CORONARY ARTERY ANOMALIES 2022 December 1 – 2, 2022

NEEDS STATEMENT

The symposium is designed to provide a dedicated forum to discuss the evaluation, management, and outcomes of patients with coronary artery anomalies, including anomalous aortic origin of a coronary artery (AAOCA), myocardial bridge (MB) and other coronary anomalies.

TARGET AUDIENCE

This course is for Physicians, Advance Practice Providers, Nurses, Psychologists, Ancillary medical staff, and other healthcare professionals.

EDUCATIONAL OBJECTIVES

At the conclusion of the conference, participants should be able to:

- Identify the challenges in the diagnosis, evaluation and management of patients with AAOCA.
- Determine the most appropriate advanced imaging modalities to accurately identify AAOCA and MB
- Identify risk factors of AAOCA that might indicate surgical intervention.
- Implement strategies for exercise/sports activity recommendation in patients with AAOCA, including those undergoing surgical intervention and those without.

EDUCATIONAL METHODS

Lectures ▪ Panel Discussion ▪ Case Study

EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 10.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OBTAINING CREDIT

Two (2) business days after the course, an email will follow from the Baylor College of Medicine, Division of Continuing Professional Development with instructions for completing the evaluation and obtaining your CME Certificate, CE Certificate, or Certificate of Attendance.

Houston, TX 77030-3411

Email: cpd@bcm.edu
Phone: 713.798.8237
Fax: 713.798.7955

Visit our website at cpd.education.bcm.edu for information about additional CME activities.

DRUG/DEVICE STATUS DISCLOSURE

Some drugs/devices identified during this activity may have United States Food and Drug Administration (FDA) clearance for specific purposes only or for use in restricted research settings. The FDA has stated that it is the responsibility of the individual physician to determine the FDA status of each drug or device that he/she wishes to use in clinical practice and to use the products in compliance with applicable law.

Baylor College of Medicine requires that all faculty/presenters disclose an unlabeled use or investigational use of pharmaceutical and medical device products, and provide adequate scientific and clinical justification for such use. Physicians are urged to fully review all the available data on products or procedures before using them to treat patients.

DISCLOSURE OF FINANCIAL RELATIONSHIPS WITH COMMERCIAL INTERESTS

DISCLOSURE POLICY

Baylor College of Medicine (BCM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. BCM is committed to sponsoring CME activities that are scientifically based, accurate, current, and objectively presented.

In accordance with the ACCME Standards for Commercial Support, BCM has implemented a mechanism requiring everyone in a position to control the content of an educational activity (i.e., directors, planning committee members, faculty) to disclose any relevant financial relationships with commercial interests (drug/device companies) and manage/resolve any conflicts of interest prior to the activity. Individuals must disclose to participants the existence or non-existence of financial relationships at the time of the activity or within 24 months prior.

In addition, BCM has requested activity faculty/presenters to disclose to participants any unlabeled use or investigational use of pharmaceutical/device products; to use scientific or generic names (not trade names) in referring to products; and, if necessary to use a trade name, to use the names of similar products or those within a class. Faculty/presenters have also been requested to adhere to the ACCME's validation of clinical content statements.

BCM does not view the existence of financial relationships with commercial interests as implying bias or decreasing the value of a presentation. It is up to participants to determine whether the relationships influence the activity faculty with regard to exposition or conclusions. If at any time during this activity you feel that there has been commercial/promotional bias, notify the Activity Director or Activity Coordinator. Please answer the questions about balance and objectivity in the activity evaluation candidly.

All of the relevant financial relationships listed for these individuals have been mitigated.

DISCLOSURES

FACULTY	PLANNING COMMITTEE	PRESENTER	DISCLOSURE
Paolo Angelini, MD Clinical Professor Baylor College of Medicine		•	Nothing to disclose
Cristina Basso, MD, PhD Professor University of Padua Medical School		•	Nothing to disclose
Ziyad Binsalamah, MD, MSc– Co- Activity Director Assistant Professor Baylor College of Medicine	•	•	Nothing to disclose
Carlos Bonilla-Ramirez, MD Research Fellow Cincinnati Children's Hospital Medical Center		•	Nothing to disclose
Julie Brothers, MD Associate Professor Perelman School of Medicine at the University of Pennsylvania	•	•	Nothing to disclose
Thomas Das, MD Fellow Cleveland Clinic		•	Nothing to disclose

FACULTY	PLANNING COMMITTEE	PRESENTER	DISCLOSURE
Tam Doan, MD, MS Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Stephen Dolgner, MD Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Lindsay Eilers, MD Instructor Baylor College of Medicine		•	Nothing to disclose
Marcos Ferreira Botelho, MD Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Michelle Garrison, MAFM Chief Financial Officer GetixHealth		•	Nothing to disclose
Joanna Ghobrial, MD, MSc Assistant Professor Case Western and Lerner School of Medicine		•	Nothing to disclose
Srinath Gowda, MD Associate Professor Texas Children's Hospital		•	Nothing to disclose
Christoph Gräni, MD, PhD Professor University Bern Switzerland		•	Nothing to disclose
Jeff Heinle, MD Professor Baylor College of Medicine		•	Nothing to disclose
Anusha Jegatheeswaran, MD, PhD Pediatric Cardiac Surgeon University of Toronto		•	Nothing to disclose
Rajesh Krishnamurthy, MD Professor Ohio State University		•	Nothing to disclose
Alexandra Lamari-Fisher, PhD Assistant Professor Dell Medical School at the University of Texas at Austin		•	Nothing to disclose
Prakash Masand, MD Professor Baylor College of Medicine		•	Nothing to disclose
Kelly Medeiros Patient Advocate National Coronary Anomalies Foundation		•	Nothing to disclose

FACULTY	PLANNING COMMITTEE	PRESENTER	DISCLOSURE
Carlos Mery, MD, MPH Associate Professor Dell Medical School at The University of Texas at Austin	•	•	Nothing to disclose
Silvana Molossi, MD, PhD – Activity Director Associate Professor Baylor College of Medicine	•	•	Nothing to disclose
Hani Najm, MD Chair of Pediatric & Adult Congenital Heart Surgery Case Western University		•	Nothing to disclose
Jane Newburger, MD, MPH Commonwealth Professor Harvard Medical School		•	Research Support: National Institutes of Health, Centers for Disease Control and Prevention, Department of Defense, Pfizer, Bristol-Myer Squibb, Novartis, Daiichi Sankyo
Massimo Padalino, MD, PhD Associate Professor University of Padova Medical School, Italy		•	Nothing to disclose
Lynn Peng, MD Clinical Professor Standard University School of Medicine		•	Nothing to disclose
Tam Dan Pham, MD Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Charles Puelz, PhD, Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Luis Quinonez, MD Instructor Harvard Medical School		•	Nothing to disclose
Athar Qureshi, MD Professor Baylor College of Medicine		•	Nothing to disclose
Dana Reaves-O’Neal, APRN, CPNP Adjunct Faculty Baylor College of Medicine	•	•	Nothing to disclose
Craig Rusin, PhD Assistant Professor Baylor College of Medicine		•	Nothing to disclose
Shagun Sachdeva, MD Assistant Professor Baylor College of Medicine		•	Nothing to disclose

5TH SYMPOSIUM ON CORONARY ARTERY ANOMALIES 2022
December 1 – 2, 2022

FACULTY	PLANNING COMMITTEE	PRESENTER	DISCLOSURE
Sanket Shah, MD Associate Professor University of Missouri – Kansas City		•	Consultancy: GE Healthcare
Paul Thompson, MD Director of Preventive Cardiology Hartford Healthcare		•	Nothing to disclose

DISCLAIMER

This activity is designed for healthcare professionals for educational purposes. Information and opinions offered by the faculty/presenters represent their own viewpoints. Conclusions drawn by the participants should be derived from careful consideration of all available scientific information.

While Baylor College of Medicine makes every effort to have accurate information presented, no warranty, expressed or implied, is offered. The participant should use his/her clinical judgment, knowledge, experience, and diagnostic decision-making before applying any information, whether provided here or by others, for any professional use.

Faculty/presenters have submitted materials for this syllabus for printing in advance so that you may have an outline or summary of the main points of their presentation. Often this differs from the final version of their slides as faculty/ presenters make revisions up until the day of the meeting.

Additionally, some images (cartoons, drawings and some photographs) shown on the screen may not be present in your educational materials because of publishers' requirements for reprinting of copyrighted images.

NOTICES

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Activity Directors and the Division of Continuing Professional Development, Baylor College of Medicine, Houston, Texas.
