

PULMONARY VEIN STENOSIS SYMPOSIUM

September 22 – 23, 2023

CREATE A PROFILE

All attendees will need to create a profile at <https://cpd.education.bcm.edu/> to track attendance, complete evaluation, and claim CME credit. Click the links below for step-by-step instructions on setting up your profile:

Visitor Profile: <http://tiny.cc/bcmvisitor-profile>

Baylor College of Medicine ECA Profile: <http://tiny.cc/bcmlearner-profile>

NEEDS STATEMENT

The purpose of this conference is to further enhance the clinical knowledge of the pathophysiology of pulmonary vein stenosis. Furthermore, the modes of optimal diagnosis & treatment are incompletely defined. Sharing of knowledge amongst leaders in the field is expected to improve care.

TARGET AUDIENCE

This activity is for Physicians, Nurses, and allied health professionals

EDUCATIONAL OBJECTIVES

At the conclusion of the conference, participants should be able to:

- Recall the physiologic effects of pulmonary vein stenosis on pulmonary vein flow, intrapulmonary shunting, and disease progression
- Summarize the state-of-the-art catheter-based, surgical, and medical therapies used in treatment of pulmonary vein stenosis in terms of treatment and expected outcomes
- Outline the rationale and efficacy of team-based approach to treatment of pulmonary vein stenosis

EDUCATIONAL METHODS

Lecture, Panel Discussion, and Case Study

EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION

Physician Credit

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 11.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OBTAINING CREDIT

Two (2) business days after the course, an email will follow from the Baylor College of Medicine, Division of Continuing Professional Development with instructions for completing the evaluation and obtaining your CME Certificate, CE Certificate, or Certificate of Attendance.

DRUG/DEVICE STATUS DISCLOSURE

Some drugs/devices identified during this activity may have United States Food and Drug Administration (FDA) clearance for specific purposes only or for use in restricted research settings. The FDA has stated that it is the responsibility of the individual physician

PULMONARY VEIN STENOSIS SYMPOSIUM

September 22 – 23, 2023

to determine the FDA status of each drug or device that he/she wishes to use in clinical practice and to use the products in compliance with applicable law.

Baylor College of Medicine requires that all faculty/presenters disclose an unlabeled use or investigational use of pharmaceutical and medical device products, and provide adequate scientific and clinical justification for such use. Physicians are urged to fully review all the available data on products or procedures before using them to treat patients.

DISCLOSURE OF FINANCIAL RELATIONSHIPS WITH COMMERCIAL INTERESTS

DISCLOSURE POLICY

Baylor College of Medicine (BCM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. BCM is committed to sponsoring CME activities that are scientifically based, accurate, current, and objectively presented.

In accordance with the ACCME Standards for Commercial Support, BCM has implemented a mechanism requiring everyone in a position to control the content of an educational activity (i.e., directors, planning committee members, faculty) to disclose any relevant financial relationships with commercial interests (drug/device companies) and manage/resolve any conflicts of interest prior to the activity. Individuals must disclose to participants the existence or non-existence of financial relationships at the time of the activity or within 24 months prior.

In addition, BCM has requested activity faculty/presenters to disclose to participants any unlabeled use or investigational use of pharmaceutical/device products; to use scientific or generic names (not trade names) in referring to products; and, if necessary to use a trade name, to use the names of similar products or those within a class. Faculty/presenters have also been requested to adhere to the ACCME’s validation of clinical content statements.

BCM does not view the existence of financial relationships with commercial interests as implying bias or decreasing the value of a presentation. It is up to participants to determine whether the relationships influence the activity faculty with regard to exposition or conclusions. If at any time during this activity you feel that there has been commercial/promotional bias, notify the Activity Director or Activity Coordinator. Please answer the questions about balance and objectivity in the activity evaluation candidly.

All of the relevant financial relationships listed for these individuals have been mitigated.

DISCLOSURES

FACULTY	PLANNING COMMITTEE	PRESENTER/MODERATOR	DISCLOSURE
Carl Backes, M.D. Professor of Pediatrics Nationwide Children’s Hospital		●	<u>Research Support: Abbott</u>
Christopher Baird, M.D. Associate Professor of Surgery Harvard Medical School		●	Nothing to disclose
Manish Bansal, M.D. Associate Professor of Pediatrics Baylor College of Medicine		●	Nothing to disclose
Ravi Birla, Ph.D., M.B.A. Associate Professor of Congenital Heart Services Baylor College of Medicine		●	Nothing to disclose
Marcos Botelho, M.D. Assistant Professor of Radiology Baylor College of Medicine		●	Nothing to disclose
Joseph Burns, M.D. Clinical Postdoctoral Fellow of Pediatric Cardiology Texas Children’s Hospital		●	Nothing to disclose

DISCLAIMER

This activity is designed for healthcare professionals for educational purposes. Information and opinions offered by the faculty/presenters represent their own viewpoints. Conclusions drawn by the participants should be derived from careful consideration of all available scientific information.

While Baylor College of Medicine makes every effort to have accurate information presented, no warranty, expressed or implied, is offered. The participant should use his/her clinical judgment, knowledge, experience, and diagnostic decision-making before applying any information, whether provided here or by others, for any professional use.

Faculty/presenters have submitted materials for this syllabus for printing in advance so that you may have an outline or summary of the main points of their presentation. Often this differs from the final version of their slides as faculty/ presenters make revisions up until the day of the meeting.

Additionally, some images (cartoons, drawings and some photographs) shown on the screen may not be present in your educational materials because of publishers’ requirements for reprinting of copyrighted images.

NOTICES

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Activity Directors and the Division of Continuing Professional Development, Baylor College of Medicine, Houston, Texas.
