

### **CREATE A PROFILE**

All attendees will need to create a profile at <https://cpd.education.bcm.edu/> to track attendance, complete evaluation, and claim CME credit. Click the links below for step-by-step instructions on setting up your profile:

Visitor Profile: <http://tiny.cc/bcmvisitor-profile>

Baylor College of Medicine ECA Profile: <http://tiny.cc/bcmlearner-profile>

### **NEEDS STATEMENT**

A course designed for physicians, trainees, and allied health professionals with interest or clinical practice in Gastroenterology and Hepatology. This course will serve as an update on latest diagnostic and therapeutic issues in GI and Hepatology. This program has been developed using a combination of lecture and case-based curriculum designed to serve as an intensive review tool for GI and Hepatology Board Certification/Re-Certification Examination in 2023.

### **TARGET AUDIENCE**

Physicians, trainees, and health professionals with interest or clinical practice in Gastroenterology and Hepatology.

### **EDUCATIONAL OBJECTIVES**

At the conclusion of the conference, participants should be able to:

- Summarize the strategies for the management of IBS-D
- Discuss early detection of esophageal cancer and effective screening methods for high-risk patients
- Identify tailored approaches to optimizing medical therapy in inflammatory bowel disease
- Compare and contrast current therapy options for patients with viral hepatitis and drugs in the clinical development pipeline
- Develop the appropriate management strategies for non-alcoholic fatty liver disease in clinical practice
- Identify appropriate diagnostic testing and treatment for H. pylori infection
- Implement treatment algorithms for clarithromycin resistant H. pylori infection
- Determine the appropriate treatment for Hepatitis B patients based on the interpretations of Hepatitis B serologic testing results
- Summarize the major ethical principles in medicine and how to apply them into gastroenterology practice.

### **EDUCATIONAL METHODS**

Lecture, Panel Discussion, and Audience Response System

### **EVALUATION**

Evaluation by questionnaire will address program content, presentation, and possible bias.

### **ACCREDITATION/CREDIT DESIGNATION**

#### ***Physician Credit***

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 15.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### ***Ethics***

The presentation, *Informed Consent, Ethics, and Biostatistics*, has been designated by Baylor College of Medicine for 0.25 credit of education in medical ethics and/or professional responsibility.

#### ***ABIM MOC Credit***

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 15.75 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### **OBTAINING CREDIT**

Two (2) business days after the course, an email will follow from the Baylor College of Medicine, Division of Continuing Professional Development with instructions for completing the evaluation and obtaining your CME Certificate, CE Certificate, or Certificate of Attendance.

### **American Board of Internal Medicine Maintenance of Certification**

In order to receive MOC credit for this activity, the participant must fulfill the following requirements.

1. Complete the electronic pre-test prior to participation in the conference. This was issued prior to the course by the DCPD via email.
2. Sign in each day of attendance
3. Complete the electronic post-test. You must achieve a passing score of 70% or higher on the post-test. A link to the post-test will be emailed to you at the conclusion of the conference.

Your MOC credit along with identifying information (First Name, Last Name, Email, DOB, and ABIM Learner ID Number) will be reported to the specialty board within 8 weeks of the activity. Only passing scores will be submitted to the specialty board. Your MOC credit equates to the number of CME credits claimed for the activity and pending completion of the pre-test and a passing score on the post-test.

**Visit our website at [cpd.education.bcm.edu](http://cpd.education.bcm.edu) for information about additional CME activities.**

### **DRUG/DEVICE STATUS DISCLOSURE**

Some drugs/devices identified during this activity may have United States Food and Drug Administration (FDA) clearance for specific purposes only or for use in restricted research settings. The FDA has stated that it is the responsibility of the individual physician to determine the FDA status of each drug or device that he/she wishes to use in clinical practice and to use the products in compliance with applicable law.

Baylor College of Medicine requires that all faculty/presenters disclose an unlabeled use or investigational use of pharmaceutical and medical device products, and provide adequate scientific and clinical justification for such use. Physicians are urged to fully review all the available data on products or procedures before using them to treat patients.

### **DISCLOSURE OF FINANCIAL RELATIONSHIPS WITH COMMERCIAL INTERESTS**

#### **DISCLOSURE POLICY**

Baylor College of Medicine (BCM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. BCM is committed to sponsoring CME activities that are scientifically based, accurate, current, and objectively presented.

In accordance with the ACCME Standards for Commercial Support, BCM has implemented a mechanism requiring everyone in a position to control the content of an educational activity (i.e., directors, planning committee members, faculty) to disclose any relevant financial relationships with commercial interests (drug/device companies) and manage/resolve any conflicts of interest prior to the activity. Individuals must disclose to participants the existence or non-existence of financial relationships at the time of the activity or within 24 months prior.

In addition, BCM has requested activity faculty/presenters to disclose to participants any unlabeled use or investigational use of pharmaceutical/device products; to use scientific or generic names (not trade names) in referring to products; and, if necessary to use a trade name, to use the names of similar products or those within a class. Faculty/presenters have also been requested to adhere to the ACCME's validation of clinical content statements.

BCM GASTROENTEROLOGY & HEPATOLOGY BOARD REVIEW COURSE 2023

September 22 – 24, 2023

BCM does not view the existence of financial relationships with commercial interests as implying bias or decreasing the value of a presentation. It is up to participants to determine whether the relationships influence the activity faculty with regard to exposition or conclusions. If at any time during this activity you feel that there has been commercial/promotional bias, notify the Activity Director or Activity Coordinator. Please answer the questions about balance and objectivity in the activity evaluation candidly.

All of the relevant financial relationships listed for these individuals have been mitigated.

**DISCLAIMER**

This activity is designed for healthcare professionals for educational purposes. Information and opinions offered by the faculty/presenters represent their own viewpoints. Conclusions drawn by the participants should be derived from careful consideration of all available scientific information.

While Baylor College of Medicine makes every effort to have accurate information presented, no warranty, expressed or implied, is offered. The participant should use his/her clinical judgment, knowledge, experience, and diagnostic decision-making before applying any information, whether provided here or by others, for any professional use.

Faculty/presenters have submitted materials for this syllabus for printing in advance so that you may have an outline or summary of the main points of their presentation. Often this differs from the final version of their slides as faculty/ presenters make revisions up until the day of the meeting.

Additionally, some images (cartoons, drawings and some photographs) shown on the screen may not be present in your educational materials because of publishers' requirements for reprinting of copyrighted images.

**NOTICES**

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Activity Directors and the Division of Continuing Professional Development, Baylor College of Medicine, Houston, Texas.
