

23RD
ANNUAL

GI & LIVER COURSE

FRESH PERSPECTIVES

March 23-24, 2024

THE WESTIN HOUSTON MEDICAL CENTER
1790 DRYDEN ROAD
HOUSTON, TX 77030

Baylor
College of
Medicine

Presented by Baylor College of Medicine
Department of Medicine, Section of
Gastroenterology and Hepatology

Provided by Baylor College of Medicine

NEEDS

Updating practicing physicians and other health professionals in both the diagnosis and management of gastrointestinal and liver diseases/ conditions is essential to providing quality care leading to improved patient outcomes. This activity is designed to increase knowledge, improve competence, and enhance performance of the physician learners in practice to ultimately better patient care and outcomes in gastroenterology.

TARGET AUDIENCE

Gastroenterologists, hepatologists, internists, primary care physicians, nurses, physician assistants, medical trainees and students.

OBJECTIVES

At the conclusion of the activity, participants should be able to:

- Outline new drugs and treatment strategies in inflammatory bowel disease.
- Determine the optimal treatment chronic constipation and irritable bowel syndrome with constipation.
- Summarize changes and updates in the 2023 ASGE guidelines on endoscopic submucosal dissection.
- Recognize gastrointestinal diseases and inequities in LGBTQ+ populations.
- Recognize the ethical dilemmas of Artificial Intelligence and computer.

EDUCATIONAL METHODS AND EVALUATION

- Lecture
- Question and Answer Session
- Small Group Breakout Session
- Panel Discussion

Evaluation by questionnaire will address program content, presentation and possible bias.

ACCREDITATION/CREDIT DESIGNATION

PHYSICIAN

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 10.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ETHICS

The presentation, *GI Disease in LGBTQ+ Patients and Generative AI in Clinical Practice: Ethical Considerations*, has been designated by Baylor College of Medicine for 1.00 credit of education in medical ethics and/or professional responsibility.

AMERICAN BOARD OF INTERNAL MEDICINE (ABIM) MOC PART II

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

NURSING STATEMENT

Texas Children's Hospital is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This nursing continuing professional development activity awards up to 10.50 contact hours.

This includes 1.0 out of the 2.0 contact hours required for Nursing Jurisprudence and Ethics Continuing Nursing Education Requirement.

DISCLOSURE POLICY

In order to meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of Baylor College of Medicine (BCM) that all individuals who are in a position to control the content of the CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, current and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

FEE, REGISTRATION AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least five business days before the activity start date, contact the Division of Continuing Professional Development (DCPD) immediately.

If you plan to register on-site, contact DCPD at least 24 hours in advance to confirm activity status and space availability. The DCPD reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at <https://cpd.education.bcm.edu/content/gi-liver-2024> and follow the instructions.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the DCPD at least 10 business days before the activity begins. The date the request is received by the DCPD will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a \$50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the DCPD or email to cpd@bcm.edu.

The DCPD reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is canceled, DCPD's liability is limited to the registration fee paid. **Note:** If payment is made by check, a social security number is required to process the refund.
